

Coastal Marsh Dieback in the Northern Gulf of Mexico:

Extent, Causes, Consequences, and Remedies

January 11-12, 2001

Radisson Hotel

Baton Rouge, Louisiana

A conference in response to the unprecedented and widespread coastal marsh dieback affecting Louisiana and parts of Texas and Florida. Scientists, government and university representatives and private citizens will meet for a free exchange of information.

For more information about the conference, see the *Coastal Wetlands Planning, Protection and Restoration Act Website* at www.Lacoast.gov/brownmarsh or contact Gaye Farris at the USGS National Wetlands Research Center (337-266-8540).

To register, contact Traci Thibodeaux,
University of Louisiana at Lafayette
(337-482-5712); traci-t@louisiana.edu
